**Madison County Fair Board Statement – 2020 Madison County Fair**

On May 20<sup>th</sup>, the Madison County Senior Fair Board passed a motion to hold a JUNIOR FAIR ONLY from July 12 to July 18, 2020, considering restrictions driven by the COVID-19 situation. There will be no open class events, amusement rides, carnival games, or infield entertainment. There will be a food court available, following appropriate local and state guidelines. The currently posted Junior Fair schedule will serve as framework for an altered event to hold general projects judging, the King & Queen Contest and livestock shows and sales.

Camping will be permitted with additional regulations put in place for the health and safety of those participating. Camping fees are due June 1, with the option to roll previously paid fees to 2021.

The Senior Fair Board will continue to work closely with the local health department to develop plans for safety protocols. Understanding that there are still many unknowns, those involved with the Madison County Fair should be prepared to experience change and adapt to alternative ways of doing things, with health and safety at top of mind. The Fair Board will make public notice of plans as they are finalized.

As we continue to navigate through this time, please keep positive and assist in working toward the best outcome available for our youth and community.

Please contact the Madison County Fair Office with any questions.
