Jr. Fair Swine General Rules & Regulations:

- 1: Market hogs must weigh a minimum of 210 pounds and must be born after Dec. 1 the preceding calendar year to show and sell
- 2: All Swine projects must be ear notched and properly recorded on entry card. All exhibitors must submit a designated ear notch form by May 1 to the Madison County Extension Office. Hogs exhibited with incorrect ear notches will not be to show or sell
- 3: All hogs must have at least ½-inch of hair on all parts of body. Those hogs not meeting this hair length requirement will forfeit the right to sell
- 4: Ear tags are not to be removed
- 5: Washing hogs during weight-in is not allowed
- 6: Shavings are the designated bedding to be used in the swine barn.
- 7: Hogs will be shipped to market as coordinated by sales committee. Exhibitors are responsible for the care and feeding of their hogs from the sale until they are loaded for market.
- 8: After hogs are loaded, the pens must be swept out. Every exhibitor must check with a Junior or Senior Livestock team member for the cleanliness of their pen. Final Pen cleaning must be before noon on Sunday. If pens are not cleaned out, exhibitor may forfeit the right to exhibit the following year.
- 9: Only market hogs will be sold in the market hog sale. See Junior Fair Sale sections for more information.
- 10: There will be only ONE pen per two pigs per exhibitor with a max of two pens for 4 head. Family members will be asked to share a pen assignment when applicable. EXHIBITORS ARE NOT PERMITTED TO CHANGE PEN ASSIGNMENTS WITHOUT APPROVAL OF SHOW MANAGEMENT

Showmanship Guidelines:

- 1: Classes will be broken by age. Classes will be separated into heats and one overall winner will be selected per each age class. First and Second place recipients of each age class will advance to their appropriate age division (Junior, Intermediate, Senior). The judge has the discretion to advance more than two to the division class. Top three of each age division will advance to Showman of Showman. The Judge has the discretion to advance more than three to showman of showman

- 2: Contestants must show their own animal entered in the Junior Fair. In the event the exhibitor shows more than one hog, they may choose which one is exhibited in showmanship. The same hog must show throughout the entire showmanship show.
- 3: Exhibitors must wear county dress code policy. See Junior Fair General rules sections for more information.
- 4: Top three of each division must keep their animal in the winners circle after the market show for Overall Showman of Showman

Breeding/Market Show Guidelines:

- 1: Classes will be determined by weight, show management, and show entries
- 2: Top 5 Overall Breeding Gilts will be selected. Top 5 Overall Market Hogs will be selected. Only the Grand and Reserve Market Hogs must go to Market.
- 3: Purebred entries must show proof of registration in the exhibitors name with a corresponding ear notch at time of check in. Failure to produce registration papers will place the animal in a crossbred class.
- 4: Purebred classes require a minimum of three head to equal a specific breed class. If there are not enough animals to make a specific breed class the purebred will be placed in an All Other Breed (AOB) class.
- 5: EXHIBITORS MAY TAKE A MAXIMUM OF FOUR HOGS. There is no discrepancy of how many per division you show in. (Exhibitor will only get a total of 2 pens for 4 head so be prepared to have dividers)
